#7. Sinister Voice

There is a small box inside
everyone's hearts.

Each one is different...

If you look through the windows, you'll see they're complicated and packed.

In each room there is a space for 'memory' and a 'present' which the person fills while he is living.

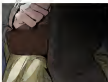

Let's take a look at the subway.

0010 0000

BANG

BANG

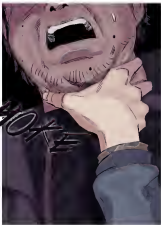

6A

DON'T
TOUCH ME.

Uwa-

MEN LIKE YOU
ALWAYS SAY THIS.

THAT I AM
MAKING A **BIG**
DEAL OUT OF
NOTHING.

THAT YOU ONLY
TOUCHED A LITTLE
BIT. THAT I'M LIKE YOUR
DAUGHTER THAT
I'M PRETTY

SHALL I BEAT YOU
SENSELESS AND ASK
YOU **WHY YOU** LOOK
LIKE YOU WANT TO
BE BEATEN?

YOU DID IT
BECAUSE I'M
LIKE **YOUR**
DAUGHTER?

CAN YOU SAY
THE SAME THING
WHEN **YOUR CHILDREN**
AND **YOUR PARENTS**
GO THROUGH
SOMETHING
LIKE THIS?

YOU
PERVERT,
DIE
DIE
DIE

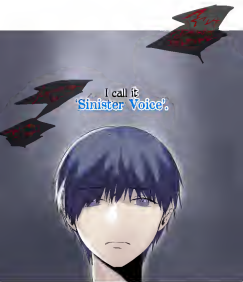

HOW
DARE YOU
SAY THAT
DIE DIE

Normal people won't hear it...

The screams that you shout inside...

It leaks out from that box,
seeping through the windows...

I call it
'Sinister Voice'.

The sinister voice...
It lingers around the
place, gets in my head,
and becomes noise.

If it's a strong feeling,
it is delivered to me
in a clear voice.

So, I can't go
to subways or other
places where there
are a lot of people

Or else my head
will explode.

.....

Do objects have
a 'sinister voice'
as well?

People say that you
transfer a bit of your
spirit on to the things
that you create.

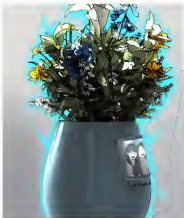

The sinister voices
released from people
have a certain color.

A happy or an unpleasant memory.
A strong memory.

Sometimes,
it gives the objects
an odor.

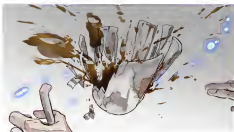

The easiest way of revealing
the memory creating the sinister voice is by
'touching' the item it is attached to.

I can see the item and...

...I can clearly see through
the window of the 'box'

It is difficult to draw out
the sinister voice without
touching the item...

Sometimes, the things
around me break from
the wavelength created by
this process...

That might be
more comforting.

I used to think
that I was crazy.

I think it could
be a gift. If what
you say is true.

A gift...

Haha...

Anybody can
read the feelings
that people show
on the surface.

Joy, sadness,
anger ..

But the 'sinister voice' that people
portray is different.

How much of extreme happiness
could there be?

I get really strong sinister voices
from feelings...

Hundreds, thousands of thoughts
changing every second.

But what I hear inevitably are...

...NEGATIVE EMOTIONS.

Even if the sun shines bright,

and despite all the laughter
and happiness in people's voices...

The only things I can hear are the roars,
the execrations, and the horrible screams...

이시스트/릭스, 핵주두장

"TJ/M: The author thanks Lye and badbeers for
their help in illustrating this manuscript

Art Contest

Hello lovely readers!

LOLScans will be holding its first monthly art contest! The theme for the month is "Mythical". For more details on the contest, please visit our forum:
